NEW SURVEY: "ITALY & MADE IN ITALY"

To support the overseas marketing activity of its Members, ASSOCOMAPLAST (Italian Plastics and Rubber Processing Machinery and Moulds Manufacturers' Association) has printed and published a survey entitled "Italy & Made in Italy", with the presentation of the production of each Member, alternated by descriptions and pictures of 33 among the most beautiful piazzas in Italy.

If you have not received the book (about 10,000 copies have already been distributed to as many overseas plastics processors worldwide) and if you are dealing with plastics & rubber industry, please, in order to receive it free of charge, write us an e-mail (g.zazzaro@assocomaplast.org) including the following information:

- Company name
- Address
- Postal code
- City
- Country
- Person in charge of the receipt
- Telephone
- Fax
- E-mail
- Web site
- Activity
- In case of plastics processors, please specify the technology used (injection moulding, blow moulding, extrusion etc.) and the material used (thermoplastics, elastomers, polyurethanes etc.).
